

### Our Vision

A contemporary, person-led and culturally safe Community Mental Health and Wellbeing Workforce equipped to meet the needs of Queenslanders experiencing mental health challenges along the full continuum of care.

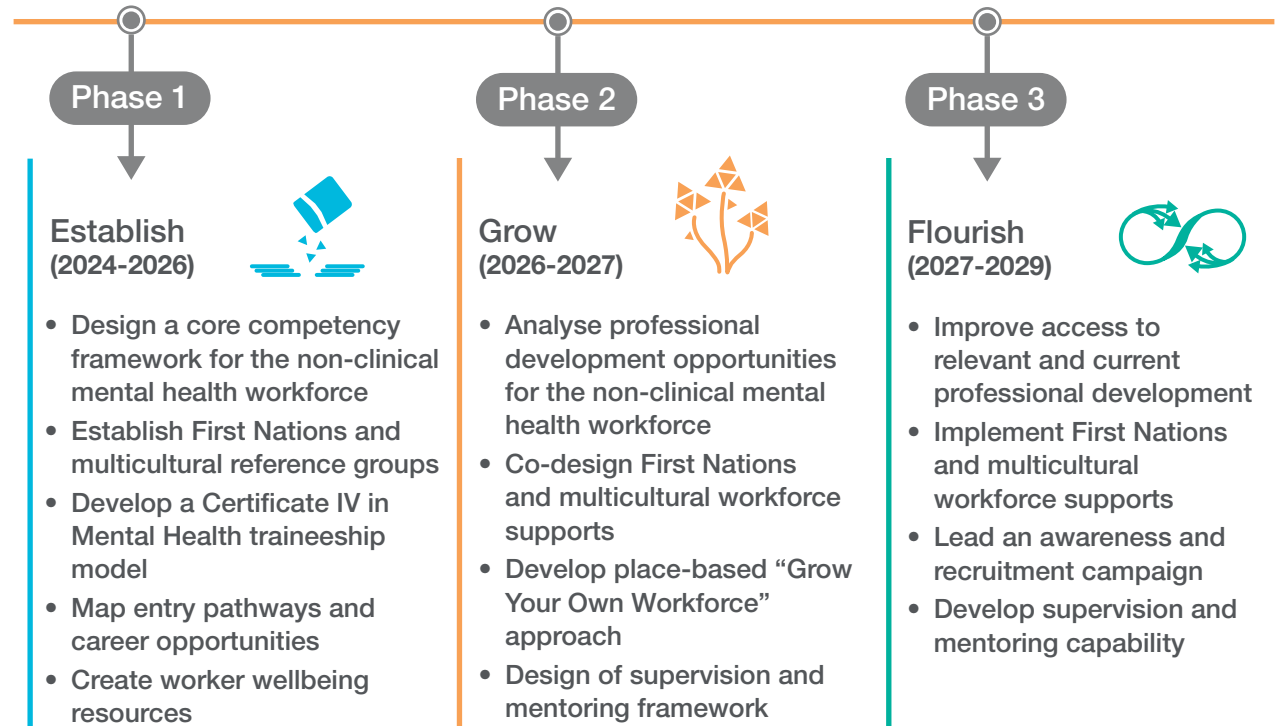

### Key Strategic Goals

- ▶ Attract and retain qualified mental health professionals
- ▶ Develop a culturally diverse and competent workforce
- ▶ Enhance professional development and career pathways
- ▶ Enable workplaces to create more inclusive and supportive environments
- ▶ Develop and support workforce growth in Queensland's regional and remote areas

### Success Measures

### MAJOR INITIATIVES & TIMEFRAMES

### Expected Outcomes

#### Short Term

- Improvement in access to training and development
- More inclusive and safer workplaces
- Clear entry and career pathways
- Improved worker wellbeing supports

#### Medium Term

- Rise in workforce diversity
- Increased workplace health and safety
- Higher workforce retention rates
- Enhanced job satisfaction

#### Long-term Impacts

- A workforce that fits and meets community needs
- Culturally appropriate and safe service delivery
- Sustainable high-quality support services

# PROJECT DELIVERABLES
